ORDER

Before the Court is Plaintiffs' emergency motion for a temporary restraining order and a preliminary injunction. After careful consideration of the record and the arguments of counsel, the Court finds that the Plaintiffs have failed to carry their burden of showing a substantial likelihood of prevailing on the merits on their claims that the ordinance at issue (Atlanta City Code § 110-60) is an invalid content-based restriction, that it is an impermissible time, place and manner restriction, or that it is unconstitutionally overbroad.

IT IS SO ORDERED this 4th day of November, 2011.

Timothy C. Batten, Sr.
United States District Judge
